ONE AGENCY CONNECTING STRATEGY, CREATIVITY AND GROWTH

We lead marketing, brand, content, performance and digital experience through one system built around the business objective.

SAUDI ARABIA · GCC · EGYPT · UNITED STATES

ABOUT THE EGO STUDIO

EGO is an integrated marketing and creative agency combining marketing and business-development leadership with specialized strength in branding, content, design and digital execution.

1

Business-First

We start with the market, offer, operations and commercial objective.

2

One Direction

Every discipline works from one positioning and one priority set.

3

Built To Perform

We turn strategy into execution that can be measured and improved.

The company is registered in Egypt and Saudi Arabia, with Saudi Arabia as its primary market.

WHAT CLIENTS GAIN FROM AN INTEGRATED MODEL

1

Clearer decisions

One partner connecting market, strategy and delivery instead of fragmented vendors.

3

Faster learning

Campaign data feeds directly into content, offer and page improvements.

Brand consistency

One message and experience across content, media and digital touchpoints.

2

Protected investment

Foundations are reviewed before spend increases: assets, offer, tracking and operations.

4

OUR SERVICES

OUR SERVICES WORK AS ONE SYSTEM

1

Strategy & Business Growth

Research, positioning, go-to-market and business development.

2

Social Media & Content

Strategy, copywriting, management and community direction.

3

Performance Marketing

Meta Ads, TikTok Ads, campaign setup, testing, optimization and performance measurement.

Brand & Corporate Design

Identity, profiles, sales decks and brand systems.

4

Creative Production

Design, video, motion and shoot direction.

5

Web & Digital Systems

Websites, e-commerce, UI/UX, SEO, tracking and lead flows.

6

01 MARKETING STRATEGY & BUSINESS DEVELOPMENT

We define where the business stands, where it should go and what must change to get there.

MARKET

Market, category, competitor and customer analysis.

POSITIONING

Value proposition, differentiation and market identity.

COMMERCIAL

Offers, pricing logic, profitability and lead path.

ROADMAP

Priorities, KPIs, budget logic and execution plan.

02 SOCIAL MEDIA & CONTENT MANAGEMENT

We build a content engine for awareness, trust and conversion- just a posting calendar.

STRATEGY

Pillars, formats, funnel role and publishing system.

COPY

Captions, scripts, hooks, offers and platform-safe language.

MANAGEMENT

Publishing, moderation direction and performance review.

CREATIVE

Visual direction connecting brand, objective and campaign.

03 PERFORMANCE MARKETING & PAID CAMPAIGNS

We connect media buying to asset quality, offer strength, content and tracking before scaling spend.

PLATFORMS

Meta Ads: Facebook & Instagram, TikTok Ads and paid social campaign management.

ARCHITECTURE

Campaign setup, objectives, audiences, budget allocation and testing logic.

OPTIMIZATION

Creative testing, audience refinement, lead quality and performance decisions.

MEASUREMENT

Events, attribution, reporting and commercial context.

04 BRAND IDENTITY & CORPORATE PROFILE DESIGN

We translate positioning into a clear, consistent visual and corporate system.

BRAND SYSTEM

Logo, visual identity, guidelines and applications.

CORPORATE

Company profiles, reports, presentations and sales decks.

MARKET PRESENCE

Templates and touchpoints that preserve trust.

DESIGN SYSTEM

Scalable rules across teams and channels.

05 CREATIVE VISUAL CONTENT & PRODUCTION

Creative production is part of the strategy—not a separate decoration stage.

DESIGN

Social, campaigns, ads and sales materials.

VIDEO

Short-form, editing, scripts and shoot direction.

MOTION

2D motion graphics and animated explainers.

CREATIVE DIRECTION

Testable concepts and visual language.

06 WEBSITES, E-COMMERCE & DIGITAL SYSTEMS

We build digital experiences that clarify value, reduce friction and support conversion.

PLATFORMS

Corporate websites, landing pages and SEO-ready structure.

COMMERCE

Store structure, trust policies and purchase journey.

UX

UI/UX review, product testing and journey improvement.

SYSTEMS

Tracking, forms, CRM direction, SEO basics and lead flow.

OUR PROCESS

HOW WE WORK

01

Discovery

Objectives and operating reality.

02

Audit

Market, assets and data.

03

Strategy

Direction, priorities and KPIs.

04

Build

Brand, content, systems and campaigns.

05

Launch

Controlled testing and release.

06
